Sir:-

I have just learned that you have published the following book, and am anxious to get a copy:-

"The Book of the Victoria Cross" compiled by Major
Rupert Stewart (late Duke of Cornwall's light Infantry.

Would it be possible for you to send a copy by mail directed to The American Numismatic Society, and let me know the cost of the book? As soon as I know the amount I will have our Assistant-Treasurer, The Central Union Trust Company of New York, send you a draft to cover.

Very truly yours,

Curator.
